Intro: |Em |G |D |A/C# |

Verse 1: Em
I am just another traveler
G
In this little piece of time
D
I'm a drifter; I'm a seeker
A/C#
Waking to this thing called life

And I struggle like a baby
G
For each little step I take
Bm A/C# |G | |
Learning how to walk on the way

Verse 2: Em
I am losing the familiar
G
I'm not sure of anything
D
Every new day it's a new world
A/C#
That's quick to steal my dreams
Em
But the path of least resistance
G
Wasn't meant for me to take
Bm A/C# |G |
I'm learning who I am on the way

Chorus: D A/C#
Still I fall and you reach
Bm G
I am foolish so you teach
D A/C#
I wander but you stay
Bm A/C# G
By my side on the way
Bm A/C# D
By my side on the way

Verse 3: Em
This is not what I expected
G
It's not everything I planned
D
But there's beauty in this mystery
A/C#
I don't have to understand
Em
But I just have to keep on moving

G
Not with vision, but with faith
Bm A/C# |G |
I'm learning how to see on the way

Chorus:
D A/C#
Still I fall and you reach
Bm G
I am foolish so you teach
D A/C#
I wander but you stay
Bm A/C# G
By my side on the way
Bm A/C# D
By my side on the way

Verse 4:
Em
So I feel these blessed burdens
G
And these weights upon my feet
D
No one said it would be easy
A/C#
Or that I'd ever find my peace
Em
But I'm moving with assurance
G
Through these fears and sweet mistakes
Bm A/C# |G | |
I'm learning how to live on the way

Chorus:
D A/C#
Still I fall and you reach
Bm G
I am foolish so you teach
D A/C#
I wander but you stay
Bm A/C# G
By my side on the way

Still I fall and you reach
